NATIONAL SORRY DAY 2011

On Sorry Day, May 26, the Board of the National Congress of Australia's First Peoples recognises and pays respect to members of the stolen generations and their families.

We also thank the many organisations and individuals that have worked tirelessly to help reunite our families.

The 2008 apology was the first step but there is still more to do. The Congress looks forward to working with our members, including the [Healing Foundation](#) to continue to support healing and recovery.

We also encourage all Australians to attend one of the many community events being held around the country to commemorate Sorry Day.
